

Bay windows

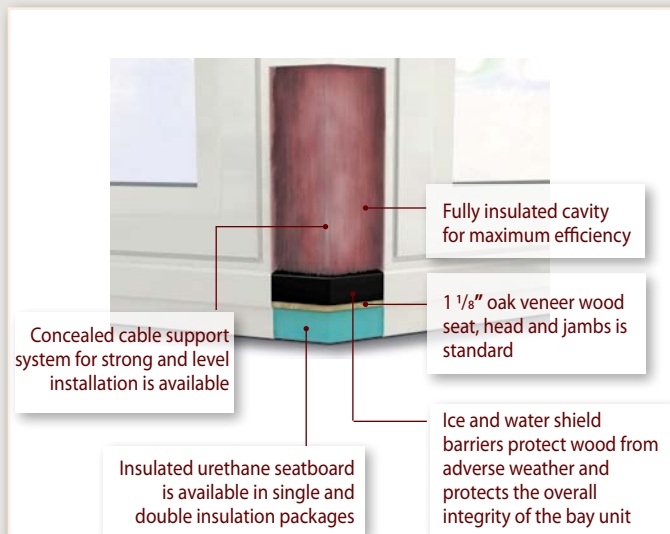

Vanguard Bay windows offer uncompromising style, comfort and remarkable curb appeal for any home. Make your neighbors jealous and expand more than your view with a Bay window. In addition to the WOW factor these windows provide, you'll be stunned by their extreme performance. Made for big open spaces, Vanguard Bay windows merge engineering intelligence with design driven features and designer options to create window perfection.

This Bay window features Colonial Cherry woodgrain interior with the optional Pionite® laminated surfaces, and two tone Contoured Grids in the ventilating Casement windows. SmartTrim™ 3 1/4" Colonial Cherry Casing.

Features & Benefits...

- High quality seatboards, headboards and side panels are manufactured from furniture grade 1 1/8" thick oak veneer plywood versus typical 3/4" thick plywood
- Interior surfaces of Bay windows are also available with optional Pionite® laminates, which eliminate the need to paint or stain the Bay's interior, while also providing greater ease of maintenance and more durability. Pionite® surfaces are available in Painters White, Golden Oak, Brazilian Pecan or Colonial Cherry
- An anti-water penetration system helps protect against unwanted water and moisture damage. This system protects your most precious investment – your home

This Colonial Cherry Bay window features a Picture window in the center with St. Paul designer glass accented with Ruby Red glass as well as ventilating Casement windows on each end. SmartTrim™ 3 1/4" Colonial Casing.
