

Casement & Awning windows

Casement & Awning windows provide not only a great look but versatility with stylish and functional hardware for safe and trouble-free cleaning. Stop uncomfortable drafts from entering your home with our Casement & Awning windows which have one of the industry's lowest air infiltration rates, because they feature three continuous seals of weather stripping.

Features & Benefits...

- Air-tight performance with triple weatherstripping seals
- Low profile, single-lever locking handle controls up to three locking points for added security
- Squareness ensured through adjustable hinge system
- Beveled exterior design
- Easy operation with functional hardware for trouble-free cleaning

These two openings feature an Awning window combined with a Picture window. Vanguard's Awning windows feature two locks and a low profile full flip nesting handle. SmartTrim™ 2 1/2" Painters White Colonial Casing.

Our full flip nesting handle is standard on all Casements and Awnings, and its geared to operate with 33% less effort than other models.

Vanguard's Casement and Awning windows all feature three seals of continuous weatherstrip, two on the frame and a third on the sash.

Charming spaces never go out of style.

Vanguard Casement windows open up to a full 90 degree angle, allowing the outside pane of glass to be cleaned from inside the home. SmartTrim™ 2 ½" Provincial Oak Colonial Casing.

These Operating Casement windows come standard with our low profile full flip nesting handle and three point security locking system. The windows are shown in Provincial Oak Woodgrain with matching two tone contoured grids between the panes of glass.
