

Sliding windows

Vanguard Sliding windows offer all the great performance benefits advanced technology has to offer. These classically styled windows offer specially designed weather stripping for a greater level of comfort. And with our vast selection of glass and color options, you can bring a new level of elegance and comfort to your home. While our standard Sliding window offers lift-out sashes, our Tilt-In Slider boasts swing-in sashes for easy cleaning.

This Tan Two Section Sliding window features Brass Pencil grids between the panes of Glass.

Our Tilt-In Sliding windows feature sashes that tilt into the home for easy cleaning.

Features & Benefits...

- Our signature narrowline window design for maximum glass viewing area
- Coved interior glazing bead for traditional design lines
- UltraCore® polyurethane window frame insulation provides added comfort and the ultimate in energy efficiency
- FiberCore® sash for added efficiency and performance
- Lift out sliders with dual brass rollers featuring a stainless steel axle for years of worry free performance
- Enjoy added peace of mind with recessed pick resistant locks and night latches for venting
- Standard sliding window provide easy, lift out sashes
- In-Swing sash rails offer added efficiency, and can be easily cleaned from inside your home

A celebration of classic design and timeless beauty.
